# Warehousing and Logistics Skills Package

## Contact

Blueprint
Employment & Training Inc
5/ 67 Compton Rd
Underwood Q 4119
3299 3312
admin@blueprint.org.au
www.blueprint.org.au

**Eligibility Criteria:**

Participants must:

- Be 15 years of age or older
- Be an Australian Citizen or permanent resident (including NZ citizen)
- Not have completed or currently enrolled in a Certificate III qualification or above
- Priority for residents of Logan and surrounding areas
- Not be in receipt of income support or accessing Australian Government employment services or assistance.

**Course delivery:**

Blended learning - Online and face to face in our Warehouse Training Centre.

**RPL:**
If students have previous experience in a warehouse environment they may be able to apply for Recognition of Prior Learning. This process may include full recognition or partial recognition with targeted "gap" training.

*Students must be 18 years or over to gain a forklift licence

## Overview

Blueprint's Warehousing and Logistics Skills Package is funded under the State Government's Skilling Queenslanders for Work Initiative and is at no cost to eligible participants.

The Skilling Queenslanders for Work Initiative focusses on learners who have not completed a Certificate III level or above qualification (or who's training was some time ago and has not led directly to an employment outcome). Preference is given to those who are not eligible to receive income support or are not accessing Australian Government employment services.

## Training Options

Blueprint Employment and Training Inc offers 2 training options depending on relevant warehousing industry jobs and career opportunities.

Option 1 – TLI21610 Certificate II in Warehousing Operations targeted at entry level storeworker positions (15 units in total including forklift* or order picking forklift licence*)

Option 2 – TLI32410 Certificate III in Logistics targeted at leading hand and supervisor roles (12 units in total including forklift* or order picking forklift licence*)

## Course Cost

The course is at no cost to eligible participants.

## Course Delivery

Training is delivered in a blended delivery model combining online training and face to face attendance at our simulated warehouse training centre at Underwood. Students will have access to inventory management systems, bar code scanners and printers, relevant warehousing resources, workplace policies and procedures in a 'real' working warehouse environment.

The length of the course will depend on the training Option selected. A Training Plan will be developed for each student and training can commence at any time.

## Additional Support

Students will have access to Blueprint computers and resources and all licence fees are included. At completion of the training students will be provided with a pair of safety boots and hi-vis safety shirt.

**For more information on eligibility and course details**
**Please contact Angie or Ana on 3299 3312.**

This training is proudly funded and supported by the Queensland Government through its Skilling Queenslanders for Work initiative.
