

Pathway to Commercial Cleaning

Blueprint Employment and Training in partnership with MET Solutions aims to provide you with an introduction to the cleaning industry and prepare you for entry into a variety of cleaning activities. By completing our Clean Up Program, you will receive your CPP20611 Certificate II in Cleaning Operations with one on one regular employment and mentoring support to assist you into employment.

The units of study reflect the core skills and knowledge required for entry into most cleaning industries and includes:

- Clean using safe work practices
- Maintain cleaning storage areas
- Work in a socially diverse environment
- OH & S training
- Learn correct cleaning techniques
- Clean glass surfaces
- Provide effective client services
- Recruitment activities

Career Pathways:

- Domestic Assistant
- Public Area Cleaning
- Housekeeper

What is Skilling Queenslanders for Work?

Skilling Queenslanders for Work helps eligible Queenslanders to develop skills, gain qualifications and provide direct assistance to enter and stay in the workforce. Community Work Skills assist disadvantaged Queenslanders to gain nationally recognised skills and qualifications up to a certificate II level.

How you will benefit?

In addition to receiving your CPP20611 Certificate II in Cleaning Operations, you will also be placed in a tailored supportive program catered to your needs as a learner. We have partnered with Challenge Employment and Training (RTO number: 5388) to deliver specialist Foundation Skills to assist you through your qualification should you require it and ensure you are confident and competent to enter the workforce on completion of the program.

You will have the opportunity to learn and network with our highly trained and motivated supervisors while learning the skills needed to ensure you are job ready.

Eligibility

Skilling Queenslanders for Work (SQW) primarily targets Queensland residents who are:

- Ineligible for Australian Government employment services or assistance; or
- Require complementary services because they have significant barriers to learning and employment; or
- Have accessed Australian Government services for more than six months and remain unemployed.

Key target groups for SQW include:

- Young people (15-24 years)
- Aboriginal and Torres Strait Islander people
- Mature age job seekers (45+ years)
- People from culturally and linguistically diverse backgrounds
- People with disability.

More broadly, disadvantaged jobseekers and under-utilised Queensland workers are able to access assistance under SQW. Participants who fall into this category do not have to belong to one of the target groups listed above.

Participants must be:

- Queensland residents
- Aged 15 years or older
- An Australian citizen, Australian permanent resident (includes humanitarian entrant), temporary resident with the necessary visa and work permits on a pathway to permanent residency, or a New Zealand citizen.
