

Forklift Training & Licensing – Employer Partnership

TLILIC2001 Licence to operate a forklift truck (LF) -

Blueprint Employment and Training offer a variety of forklift training courses to meet your specific requirements from beginner through to advanced skills. Our training is nationally recognised, student focused, industry leading and we have excellent success rates and high student satisfaction ratings.

Course Overview

This Employer Partnership Program is designed to allow your employees to obtain a combination of quality training to the TLILIC2001 standard with Blueprint and undertake employer directed supervision in the workplace. The program includes a combination of self-paced study; structured training by a mixture of Blueprint accredited trainers and on-the-job employer directed supervision, followed by the formal licensing assessment.

Course Duration, Delivery and Location

This program is delivered over 2 days at our convenient location in Underwood, and we can customise training to suit your individual or company's requirements. If you have a large group of staff to put through our forklift course and do not wish to lose them all at once, you can organise to put your staff through the course one at a time over a period of a few weeks, thus minimising the effect on your workplace production. Alternatively, onsite training and assessment may be more suitable.

- A State Government Licence fee of \$88.40 is applicable to be paid on licence lodgement at www.worksafe.qld.gov.au
- Licence applications must be lodged within 60 days of successfully completing the practical assessment
- RPL (recognition of prior learning) may be available to those trainees who can demonstrate prior experience; knowledge and/or training. RPL applicants must undertake the formal Licensing Assessment and meet all legislative requirements
- Following an unsuccessful assessment result a re-assessment fee of \$100 may apply

Course Cost

\$400 / person (no GST is applicable). A deposit of \$50 is payable on enrolment (non-refundable), and balance payable on first day of attendance.

Special conditions apply to onsite training. Please contact one of our friendly staff today to discuss your needs.

State Government funded programs in warehousing and logistics may be available depend on eligibility.

Entry Requirements

- Be able to read and write basic English
- Minimum 18 years of age to obtain High Risk Work (HRW) Licence
- Provide three forms of approved identification
- Students must wear solid enclosed footwear for the duration of the course.

Course Outcome

After successful completion of the assessment applicants will be issued with:

- Copy of the Notice of Satisfactory Assessment (NSA)
- Information on the Application process
- Statement of Attainment – TLILIC2001 Licence to operate a forklift truck
