**Please note: all students must wear solid enclosed footwear for the duration of the course. Evidence of Identity Requirements also apply.**

Please ask about State Government funded programs in warehousing and logistics, which may be available dependant on eligibility and funding availability.

RPL (recognition of prior learning) may be available to those trainees who can demonstrate prior experience; knowledge and/or training. RPL applicants must also undertake a formal licensing assessment.

Blueprint is a Registered Training Organisation #31248.

Blueprint Employment and Training Inc offer this Order Picking forklift course through delivery of the National Licensing Unit of Competency TLILIC2002A Licence to operate an order picking forklift truck (LO) at our Underwood Training Centre or at an employer venue by negotiation.

This **Blueprint Intensive 3 day Order Picking Forklift course** is targeted towards those students who have no or little prior experience or training in order picking forklift operations.

The program is scheduled over 3 days and includes self-paced study; face-to-face formal instruction and practical driving experience in our warehouse training environment. The Licence Assessment will be conducted on the final day of training. Training is delivered by professional, experienced trainers and Accredited Assessors, with small group sizes. Note Students must be 18 years or over to undertake a Licensing Assessment.

**The total cost of the program is \$600 per person**

**For a limited time only \$500!!!!**

### 1) Enrolment and Course commencement

- a) Payment of \$50.00 deposit at time of enrolment (non-refundable)
