Provide First Aid

First aid training is perhaps one of the most important skills you'll ever learn – after all, it could help you save a person's life! At Blueprint Employment and Training, we do first aid training differently. We offer comprehensive first aid education, that not only prepares you respond to emergencies at work or home, but are nationally-recognised and workplace ready.

Course Aims

Provide First Aid (previously known as Apply First Aid) is the minimum requirement for workplace health and safety compliance. This course provides you with the skills and knowledge required to provide first aid response, life support, as well as the management of casualty(s), the incident and other First Aiders until emergency qualified help arrives at the scene of the accident.

Course Duration, Delivery and Location

We offer 1 day public first aid training courses at our convenient location in Underwood. We run regular public courses or we can come to you, for a private group course at a time that suits you. Our face to face classes are very relaxed, and we aim to provide very simple and easy to understand instructions.

Course Cost

\$85 / person (no GST is applicable). Concessions are available for group bookings. *Special conditions and costs apply to on-site training. Please contact us for further details.*

Pre Requisites / Entry Requirements

Initial students: If you have not previously completed a first aid course or it has been more than 3 years since you completed a first aid course, there are no special requirements for entry into this course.

Refresher students: If you have completed a first aid course within the last 3 years, you must provide evidence of this during the process of enrolment.

Units and Outcome

Blueprint Employment and Training's Provide First Aid course complies with the Australian and New Zealand Committee on Resuscitation (ANZCOR) Guidelines relating to the provision of first aid.

Your statement of attainment will certify that you have been trained in HLTAID001 Provide cardiopulmonary resuscitation and HLTAID003 Provide first aid, and is valid for 3 years. Please note the CPR component of the course is valid for 12 months and will need to be updated annually for you to keep your certification current.

For more information on this and many other courses, please contact us on 07 3299 3312, or visit our website www.blueprint.org.au
